eXTREME HIGH DEFINITION

XHD™

eXtreme HIGH DEFINITION CABLES

Comprehensive XHD™ eXtreme High Definition cables are specifically designed for HDTV and the latest source and display technologies including Plasma, LCD and DLP® displays, video and data projectors, digital satellite and cable receivers, DVR's, streaming video, and more. XHD™ cables provide far superior video definition and the highest resolution video performance for HDTV and today's high resolution signals including composite video, S-Video, component video, VGA, DVI, and HDMI™. XHD™ cables are the cable of choice for digital signage, home theater and all high definition and HDTV applications.

DLP® is a registered trademark of Texas Instruments

XHD™

eXtreme HIGH DEFINITION CABLES

NEW!

X3V composite video cables utilize double shielding of 95% copper braid (not 80 or 85% like competitors) and 100% foil which provides the ultimate protection against RF and electromagnetic interference. Comprehensive X3V video cables provide true XHD performance and utilize a 100% Oxygen Free Copper stranded center conductor for maximum signal transfer and no discernable loss. Comprehensive's NGD™ technology (nitrogen gas dielectric) provides maximum signal transfer even over long distances. 24k gold contacts with split center pin provide premium connectivity while our legendary X-Traflex jacket reduces cable stress for unsurpassed durability. The Comprehensive X3V series provides the sharpest, clearest pictures with bright, true lifelike colors and the most accurate image representation available. Lifetime Warranty.

XHD™ Double Shielded RCA Composite Video Cable

| | | |
|-----------|--------|---------|
| X3V-RCA3 | 3 ft. | \$24.95 |
| X3V-RCA6 | 6 ft. | \$29.95 |
| X3V-RCA12 | 12 ft. | \$39.95 |
| X3V-RCA25 | 25 ft. | \$44.95 |

Composite

NEW!

Comprehensive X3V S-Video series of XHD cables utilize double shielding of 95% copper braid (not 80 or 85% like competitors) and 100% foil which provides the ultimate protection against RF and electromagnetic interference. Comprehensive X3V series cables provide true XHD performance and utilize 100% Oxygen Free Copper stranded center conductors transmit separate luminance and chrominance signals for maximum signal transfer and no discernable loss. 24k gold contacts provide premium connectivity while our legendary X-Traflex jacket reduces cable stress for unsurpassed durability. Comprehensive X3V S-Video cables provides the sharpest, clearest pictures with bright, true lifelike colors and the most accurate image representation available. Lifetime Warranty.

XHD™ Double Shielded S-Video Cable

| | | |
|----------|--------|---------|
| X3V-SV3 | 3 ft. | \$24.95 |
| X3V-SV6 | 6 ft. | \$34.95 |
| X3V-SV12 | 12 ft. | \$44.95 |
| X3V-SV25 | 25 ft. | \$49.95 |

S-Video

NEW!

X3V RF series of XHD cables utilize double shielding of 95% copper braid (not 80 or 85% like competitors) and 100% foil which provides the ultimate protection against RF and electromagnetic interference. Comprehensive X3V RF cables have a 100% Oxygen Free Copper stranded center conductor for maximum signal transfer and no discernable loss. Comprehensive's NGD™ technology (nitrogen gas dielectric) provides maximum signal transfer even over long distances. 24k gold contacts provide premium connectivity while our legendary X-Traflex jacket reduces cable stress for unsurpassed durability. The Comprehensive X3V series provides the sharpest, clearest pictures with bright, true lifelike colors and the most accurate image representation available. Lifetime Warranty.

XHD™

eXtreme HIGH DEFINITION CABLES

Get The Most
Out of Today's
Technology!

X3V UXGA cables provide true XHD eXtreme High Definition performance. Comprehensive's X3V UXGA cables utilize an oxygen free copper center conductor construction to ensure extremely low attenuation and maximum signal transfer-even over long distances. Heavy duty HD15 connectors with 24k gold precision machined contacts provide maximum conductivity and reduce distortion caused by inferior connectors. Multiple individual high resolution shielded coax cables transmit video signals so bright and vibrant, images truly come to life on today's high definition plasma and LCD monitors. Unlike competitors cables, Comprehensive X3V UXGA cables are triple shielded to provide maximum rejection of all interference including EM and RF. Our exclusive X-traflex jacket provides for unsurpassed flexibility and durability and easy installations. Lifetime Warranty.

XHD™ Double Shielded UXGA Cable

| | | | | | |
|------------|--------|---------|-------------|---------|----------|
| X3V-UXGA3 | 3 ft. | \$44.95 | X3V-UXGA50 | 50 ft. | \$149.95 |

| | | |
|------------|--------|----------|
| X3V-3RCA3 | 3 ft. | \$49.95 |
| X3V-3RCA6 | 6 ft. | \$59.95 |
| X3V-3RCA12 | 12 ft. | \$79.95 |
| X3V-3RCA25 | 25 ft. | \$119.95 |
| X3V-3RCA35 | 35 ft. | \$149.95 |
| X3V-3RCA50 | 50 ft. | \$199.95 |

Component

XHD™ CONSTRUCTION

24k Gold Contact Split Center Pin
Allows for precise contact pressure and minimizes distortion

24k Gold Contact Heavy Weight™ Connector
Guarantees a tight, superior connection every time

No Slip Grip™
Makes connecting and un-connecting simple and easy

X-traflex™ Jacket
Extra flexibility greatly reduces cable stress and allows for easy installation

Braid Over Foil Double Shielding
Copper braid and 100% stamped foil shielding provides superior performance and rejects RF and EM interference.

NGD™ Gas Injected Dielectric
Provides maximum signal transfer even over long distances

Oxygen Free Copper Stranded Center Conductor
Ensures low loss, superior conductivity for ultra-high bandwidth signal transmission

HDMI™ Cables are the first industry-supported, uncompressed, all-digital audio/video interface and Comprehensive XHD HDMI™ cables provide all-digital signal transfer and the ultimate high resolution interface between any high definition audio/video source and display. Comprehensive XHD HDMI™ cables support standard, enhanced, or high-definition video such as 720p, 1080i and 1080p as well as 8 channel digital audio with bandwidth to spare on a single cable. X3V HDMI™ cables provide true XHD eXtreme High Definition performance and while standard HDMI™ cables can only go up to 15ft, Comprehensive's X3V HDMI™ cables utilize 24 gauge oxygen free copper center conductor construction to ensure extremely low attenuation and maximum signal transfer to distances of up to 50 ft. 24k precision machined contacts provide maximum conductivity. Triple shielding provides maximum rejection of all interference including EM and RF. Molded strain relief and our X-traflex jacket provide for unsurpassed flexibility and durability. Lifetime Warranty.

XHD™ HDMI to HDMI Cable

| | | | | | |
|------------|--------|----------|------------|--------|----------|

| X3V-HDMI10 | 10 ft. | \$69.95 | | | |
| X3V-HDMI15 | 15 ft. | \$79.95 | | | |
| X3V-HDMI25 | 25 ft. | \$119.95 | | | |

HDMI

XHD Series HDMI to DVI cables provide the ultimate in HDTV and High Definition performance. Since HDMI is backwards compatible, it is possible to connect devices with HDMI and DVI connections together. X3V series HDMI to DVI cables are the true performer in our XHD family of eXtreme High Definition digital cables. While standard HDMI to DVI cables can only go up to 15ft, Comprehensive's X3V HDMI to DVI cables utilize 24 gauge oxygen free copper center conductor construction to ensure extremely low attenuation and maximum signal transfer to distances of up to 50 ft. 24k precision machined contacts provide maximum conductivity. Triple shielding provides maximum rejection of all interference including EM and RF. Molded strain relief and our X-traflex jacket provide for unsurpassed flexibility and durability. Lifetime Warranty.

| X3V-HDMI-DVI25 | 25 ft. | \$119.95 | | | |

HDMI/DVI

XHD Series DVI cables provide uncompressed all-digital video for the ultimate in HDTV and High Definition performance. To truly get the most out of your system, you must utilize all digital signal transmission. All digital transmission means you see the same quality picture reproduction as if you were watching the source "master tape" itself. All digital transmission utilizing Comprehensive XHD DVI-D cables means you never miss a thing. X3V series DVI cables are the true performer in our XHD family of eXtreme High Definition digital cables. While standard DVI cables can only go up to 15ft, Comprehensive's X3V DVI cables utilize 24 gauge oxygen free copper center conductor construction to ensure extremely low attenuation and maximum signal transfer to distances of up to 50 ft. 24k precision machined contacts provide maximum conductivity. Triple shielding provides maximum rejection of all interference including EM and RF. Molded strain relief and our X-traflex jacket provide for unsurpassed flexibility and durability. Lifetime Warranty.

X3A Audio Series

XHD eXtreme High Definition audio cables are designed specifically for today's demanding audio applications to work with the latest source, display and surround sound stereo technologies including Dolby(tm), THX(tm), SACD and DVD Audio, Plasma, LCD, and DLP displays, digital satellite and cable receivers, DVR's, satellite radio, MP3 players, streaming audio, and more. XHD cables provide far superior audio definition and the purest, cleanest audio imaginable for today's professional and home theater systems. Hear what you have been missing with Comprehensive's X3A series stereo audio cables. X3A audio cables utilize 100% oxygen-free copper solid conductor construction with dual balanced twisted conductors and a shield which enhances audio response. Tightly twisting our dual conductors and both a 95% braid and 100% foil shield allows for superior rejection of interference when compared to other so-called high performance audio cables. Comprehensive X3A cables utilize two 100% Oxygen Free Copper stranded center conductors for maximum signal transfer and no discernable loss. Premium 24k gold contacts with split center pin provide secure connectivity while our X-traflex jacket reduces cable stress and provides unsurpassed durability. The result is deeper bass, crisper highs, and enhanced spacial imaging. Lifetime Warranty.

XSW4 Subwoofer Series

XSW4 subwoofer cables were designed for the ultimate home theater experience. Hear how movies come to life when low frequency response is accurately reproduced using Comprehensive's XSW4 cable technology. XSW4 subwoofer cables were designed to get the most out of Dolby Digital 5.1 surround systems and they provide enhanced low frequency response for the tightest, deep bass reproduction. XSW4 subwoofer cables utilize a 100% Oxygen Free Copper center conductor for maximum signal transfer and no discernable loss. Double shielding of 95% copper braid (not 80 or 85% like competitors) and 100% aluminum foil rejects electromagnetic and RF interference. Dual conductors deliver improved response and clarity in the low frequency range. Premium 24k gold contacts maximize connectivity and Xtraflex jacket provides unsurpassed durability.

XD1 Digital Audio Series

Comprehensive XD1 series digital audio cables were specifically engineered to provide superior audio clarity and definition from today's high end audio components. The XD1 series low capacitance design and premium dielectric provides maximum signal transfer while minimizing loss. XD1 cables utilize double shielding of 95% copper braid (not 80 or 85% like competitors) which provides the ultimate protection against RF and electromagnetic interference. Comprehensive XD1 cables utilize an all copper stranded center conductor for minimal loss and maximum signal strength. 24k gold contacts provide premium connectivity while our legendary X-Traflex jacket reduces cable stress for unsurpassed durability. Lifetime Warranty

| XD1-RCA6 | 6 ft. | \$39.95 |
| XD1-RCA12 | 12 ft. | \$44.95 |

Digital Audio

XD1 series fiber digital audio cables were specifically engineered to provide superior audio clarity and definition from today's high end audio components with optical digital outputs. Unlike common, economy toslink cables, Comprehensive's XD1 fiber cables utilize the most advanced fiber technology to deliver pristine, natural digital sound and spacial imaging that has to be heard to be believed. Premium connectors and X-Traflex jacket provide unsurpassed durability. Lifetime Warranty.
