Mediatech offers several cart options for the secure storage and easy transportation of your computer and audio / video devices. Choose the shape, size, and capacity that best fits your need.

Warranty: 3 Years Parts & Labor

This unit is capable of holding 24 laptops.

See reverse for upgrade options including: custom laminate, and more.

Custom Laminate Upgrade

Solid Bright Laminate Upgrade

Looking for a different color? For a small fee Mediatech will build any furniture product in the laminate color of your choice. For a complete listing of options, please visit: <http://samples.wilsonartcontract.com/>

We welcome custom orders and have built a variety of modified versions of our furniture products for a number of clients.

These Laptop Storage Carts provide a durable laptop storage system for up to 24 laptop computers. Constructed of hardwood ply and covered with an easy maintenance laminate surface, these units are ideal for almost any laptop storage requirement.

Standard features include:

Almond Exterior Laminate with Black Sparkle Top

2-inch Round Cable Access Grommets on Top

24 Steel Laptop Pans

Lockable Rear Power Access Doors

Lockable Front Sliding Door

5-inch Twin-Wheel Casters with 700-lb. Capacity

Fits Most Laptops (Max. Dimensions: 13.5"x14")

Variations built to customer specification. For help with your specific configuration requirements, contact Mediatech or your local Mediatech Dealer.

Shipping Considerations

Standard delivery of furniture products includes freight shipment to a loading dock. Customers who do not have a loading dock on-site may request special services for a fee. Special services available include: arrival notice, inside delivery, lift gate delivery, limited access delivery, day-definite guarantee, and custom wood crate shipment. Please contact your sales representative or Mediatech directly to make arrangements.
